About the DE: a 7-10days initiative for the Joshua Generation

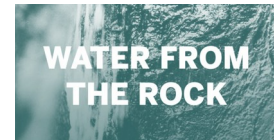

Destiny Encounter is a retreat based initiative accommodating delegates for up to two weeks. It is a response to the unprecedented impact of the covid 19 crisis, where the enemy has sought to steal the destiny on the lives of God's children. Amongst those close to our hearts as an organisation is the **Joshua Generation (JG)**, and we feel a stirring to partner with God in seeking to redeem what has been fractured, lost, or stolen from the destiny of these emerging leaders. The JG is the generation that bridges the older generation with the new generation being born. They are the people who have been given the grace to preserve the legacy of *what God has done with what God is going to do*. This initiative, in its 3rd year, is intended to gather the JG together in a cottage in rural England for a time of teaching, radical worship and impartation. The initiative will be led by *Femi Oni*, the founder of Water From The Rock. We invite you to join us (for the 10days or simply for), bring the richness of what God has given/formed in you, come & connect the JG as we help them get back on track onto their destiny.

Destiny Encounter is an initiative of WFTR, a not-for-profit organisation in the UK (Registered charity: 1192140)
